First American Bank, as trustee of the Andrew and Alice Fischer Charitable Trust honors the Fischers' charitable intentions through the making of grants that further their charitable missions.

### Areas of Interest

The Trust's primary focus is to provide funding in the following fields:

- Education for physically, emotionally, financially and/or developmentally challenged individuals;

If your proposal is not postmarked by the deadline, it will be held and considered in the next grant cycle. **An organization that has received a grant in the spring cycle or as part of a multi-year grant will not be eligible to apply for a second grant within the same calendar year.**

Organizations will be notified of grant funding decisions by June 15<sup>th</sup> or December 15<sup>th</sup> depending on which cycle the proposal was considered. Due to the number of grant proposals received, we cannot provide status of grant proposals. Every proposal received will receive a written decision letter.
